

## HOME SAUNA NL1216

A compact and elegant Home Sauna for your ultimate relaxation and wellbeing.

Sit on the comfortable Saunasella chairs, pour some water on the heater and enjoy the soft steam, while the infrared waves warm your back.

The white interior and the LED spotlights are refreshing, while the natural wood on the seats is comforting. The high quality is always satisfying.

The sauna can be installed into any space with a watertight floor, without any modifications to the room.
